State Referee in Chief Report April 13, 2019

New Programs~

I am currently working with a group of officials and Scott Zaban (Va. RIC) out of Arlington, Va. on development of their officiating mechanics and standards for the 10U half ice programs. Brad Surdam had spoken to Jason Vallencourt @ National meeting and he put them in touch with me.

I have given them some key points that OHOA has found and now use for officiating this new and growing format for the 10U players.

There are many different aspects for officials working these games, and the mentors who are helping to develop the young officials.

There is no current USA Hockey written manual for the half ice format. We are using the basic officiating manual and tweaking it, so as to maintain basic mechanics and standards that will help bridge the gap from half ice to full ice.

State Tournaments and Jamborees~

OSHA held a series of State tournaments and jamborees in March throughout the state. This was the most events in Oregon sponsored by OSHA in many years. Very Busy weekends for all officials.

8U & 10U Jamboree; Portland, 3/8-10 2019. Cross Ice and 1/2 Ice formats.

14U State 'C' Tournament, Klamath Falls, 3/8-10 2019.

12U Jamboree, Medford, 3/15-17 2019.

18U State 'C' Tournament, Eugene, 3/15-17 2019.

AND

14U Rep Shamrock Invitational tournament, Bend, 3/15-7 2019.

The goal was to have the best officials from local and around the state work these tournaments. Each tournament was supervised to give the officials ongoing mentoring, and evaluation.

A huge THANK YOU to all the officials in OHOA for adjusting personal schedules to ensure that all of the games were covered for these important weekends.

OSHA CIC Report – April 10, 2019

Board Meeting – April 13, 2019

Recap for 2018 - 2019 Season –

- To educate and support coaches throughout Oregon.

CEP Training – For 18-19 Season; We held classes in Medford, Eugene, Bend and Portland. The Portland clinic was again a very large event held at the VMC, with over 100 coaches attending the CEP or Goalie track for the day. We did have some challenges with coaches wishing to move between the two for the day.

For next year I have some thoughts on continuing education for coaches that do not require USAH classes. We have examples throughout our affiliate where coaches have not been required to attend classes and yet still can benefit from learning the new methods for training.

I would also like to have a OSHA Coaching Summit to get at a minimum all of the local association coaching directors to meet up for both a social gathering, but also to discuss needs amongst the associations and affiliate.

- To have all coaches compliant with their requirements before deadlines

This is imperative for our affiliate and programs to be successful. Scheduling of CEP and other educational opportunities will be coordinated as much as possible.

- To assist our GDC with our affiliate GDC program

We were able to host one Bronze level goalie class this past season. We will look at a new format to offer GDC classes as part of CEP summits.

- To build on our CEP program, holding HP, Goalie Coach and Youth Coaches education

This past season I was able to host a series of classes using self-developed materials and held classes using the traditional USAH CEP slide decks. I believe the new materials were a good fit for Oregon Coaches and will look to expand on that for 2019-20.

- To hold a competitive development camp to select the top players from Oregon to move on to District and Regional Camps

Development camp was held in Eugene this year. Number of attendees was again a record number of players attending the camp. We were able to offer ice for girls and ice for goalies as well as the youth players. We also offered off ice with Jordan James as well as several informative seminars for attendees.

April 13, 2019 Oregon State Hockey Association Meeting Minutes

New for 2019 – 20

- Add classroom and on ice sessions based on age appropriate training, gear them towards the age group and not the CEP levels.
- OSHA Coaches Summit
- OSHA Tiering Guidelines for future season.

Thank You

OSHA Disabled Hockey Report -

Board Meeting - April 13, 2019

Goals for the 2019-20 season have been adjusted with some benchmarks extended beyond the upcoming season.

- Bring all respective hockey associations up to speed on USA Hockey disabled hockey policy regarding accessibility/promotion of all respective branches
- Determine what accommodations statewide rinks/associations do and does not have in regard to providing an equal playing field for all.
- Apply for Grants/funding to expand disabled hockey within hockey associations in the state for 2020 season and the future.
- Discuss a directive of having a budget allocation for every hockey association in the state so each association has a set cost allocated for accommodations laid in their annual budget every year.
- With the directive set; there is no scrambling for additional funding if there are accommodations needed for a player when the request is made by said player's family/USAH policy dictates it.
- Annual budget set for accommodations/disabled hockey events within each hockey association needs to be a new regulation added to the OSHA bylaws as well regardless if an association needs it or not annually.
- This directive needs to be discussed and implemented as part of the agenda for July's board meeting with all associations present at the meeting.

April 13, 2019 Oregon State Hockey Association Meeting Minutes

- Determine the quota of players/interested parties for each program viability/visibility in the long run, each association will need to gather that information within their community and bring it to my attention by July.
- Coordinate with USA Hockey HQ/Pacific District Region Disabled hockey branch regarding having PJW and LAHA host a clinic/try hockey for free day event for various branches for disabled hockey at some point in early 2020 or 2021.
- Deaf Hockey: Washington State school for the Deaf/Blind (Portland Jr Winterhawks) and Oregon State school for the Deaf/Blind in nearby Salem (LAHA) will need to collaborate on two dates that works the best for all parties involved. On ice staff training for accommodations would need to be arranged prior to dates selected in order to maximize the experience for kids involved. Grant funding will also be discussed/PR needed to promote said event.
- Sled hockey: Coordinate with Josh Sweeney/Rico Roman/Wendy/Lester /Kellie on expanding the program in the state/establishing a registry network of all sled players in the state and what are the necessary steps that have to be in place to make it a reality. Lester/I will schedule a meeting TBD with above parties to discuss all details.
- Special Hockey initiative will be determined after establishing which host association statewide has the numbers of interested parties in order to launch a program/grow it.
- Promote disabled hockey related events to all associates via website.
- My long term goal at this point is to have Oregon be able to field a youth/adult team in one or multiple branches of disabled hockey and have the teams participate in the disabled festival/ other events within 3-4 years from the establishment of the program. It has to be a true collective effort not just from the association that hosts the program but also from the community surrounding that association to ensure longevity/stability of the program.
- Blind Hockey: Position needs to be created, I have reached out to key personnel within the Chicago Blind/Minnesota Blind hockey program on what needs to be done to establish key groundwork for the launch of the program or programs within OSHA.
- Key Dates for disabled events are listed below

**OSHA SafeSport Report
April 13, 2019 OSHA Meeting**

- **2018/19 Objective-** To have all OSHA Associations SafeSport compliant by November 30, 2018. ACCOMPLISHED! Oregon was compliant this year again. Two years in a row. Great job everyone.
- **Two SafeSport cases have been reported** to USAH National HQ so far this season (Since October) from Oregon. One of them was an allegation of sexual abuse and has been reported to the U.S. Center for SafeSport. It is pending.
- **Congressional action prompts changes to SafeSport-** Because of the congressional action last year that strengthened the U.S. Olympic Committee's hand regarding sexual abuse of amateur athletes, the SafeSport Handbook requires updates. Many other updates will have to be done as well. Highlights include:
 - SafeSport Handbook to be updated in the next 45-90 days
 - Background screenings and company we use for screenings will change for the 2020/21 season
 - SafeSport trainings will become annual each season starting this coming season
 - Rink facility employees will all have to be trained and screened
 - More updates will be shared when I attend the Annual Congress in June 2019
- **Updates to Handbook-** Since USA Hockey's Winter Meeting in January, the staff have been working with a small group of Legal Council Members and SafeSport Coordinators to make revisions to the USA Hockey SafeSport Program Handbook in order to incorporate changes required by federal law, the USOC and the US Center for SafeSport. Those changes will be shared with all SafeSport Coordinators soon.
- **Goal for 2019/20** season will be to continue to focus on locker room monitoring and how to improve processes across the state.

1. Brief Description of programs and initiatives aimed at growing participation and retention of players:

BIHA will continue to provide volunteer coaches to Bend Park & Recreation District programs for the 2019-2020 season to support the growth and development of new association players in the Bend area. We will provide weekly dryland training and floor ball play at the BPRD Pavilion rink starting July 8th and are attempting to arrange a weekend with the Portland Winterhawks for a pre-season dryland clinic in September. The Pavilion intends to host another multi-day hockey clinic shortly after the rink opens in October 2019 (LA Kings Camp last year).

2. Has there been any disciplinary activity with players, coaching staff, or parents? If yes, provide a brief summary and resolution.

None to report at this time.

3. Is your Member Association planning on hosting any tournaments this season? If so list the dates, and ages/levels:

Yes, dates are tentative at this time.

- **Cascade Invitational (Late January 2020)**
- **Rep-Level Tournament (mid-to-late February 2020)**

4. Are there any challenges facing your Member Association right now? If yes provide a brief description with responses and/or intervention planned or in the works?

None to report at this time.

5. How many coaches will be attending the CEP symposium?

N/A

6. Are there any successes you'd like to highlight?

Fundraising and sponsorship efforts raised approximately \$9,000 for the 2018-19 season, and \$2,500 was dedicated to financial aid. The Association will begin work in July-August and expects to build on that success and raise more money for 2019-2020 season financial aid.

The tournaments hosted by BIHA during the 2019-20 season brought several new associations from Idaho, California, and Washington to Bend for the first time. The feedback was very positive and we are anxious for their return, and to reciprocate during the 2019-2020 season.

We will have our Learn to skate and play groups, an in-house team and hope to add a 12U team to our travel teams this coming fall.

We will continue to offer a lower cost for our Learn to skate and play classes and are revamping our programs, in hopes of drawing in more players.

We continue to focus on fundraising, to provide assistance for those players that need help with their hockey fees and to help lower the cost for all our players.

2. Has there been any disciplinary activity with players, coaching staff, or parents? If yes, provide a brief summary and resolution.

3. Is your Member Association planning on hosting any tournaments this season? If so list the dates, and ages/levels:

We plan on hosting our 18U tournament over MLK weekend in 2020.

We would be interested in hosting either the 12U or 14U state tournament next season.

4. Are there any challenges facing your Member Association right now? If yes provide a brief description with responses and/or intervention planned or in the works?

Low number of players always seems to be an issue. We are working to implement changes in our program to see if we can increase the number of players in our younger groups in particular. We continually work to bring the cost down to encourage participation. We plan on advertising over the summer and attending as many of the back to school nights at our local schools in the fall.

A low number of officials in our area is an issue. We will continue to recruit and offer reimbursement for some fees.

5. How many coaches will be attending the CEP symposium?

6. Are there any successes you'd like to highlight?

Our program has grown this past year. We had a large number of players in our Learn to Skate and Play programs and we are hoping to retain many of those players. We have an amazing group of coaches that have provided many opportunities for all our players.

April 13, 2019 Oregon State Hockey Association Meeting Minutes

1. Brief Description of programs and initiatives aimed at growing participation and retention of players:

The Board will be exploring various marketing opportunities for this summer leading up to next season to raise awareness and reach new players. We will also look to partner with local schools to do pre-season classroom presentations to try and raise interest.

2. Has there been any disciplinary activity with players, coaching staff, or parents? If yes, provide a brief summary and resolution.

Yes. We had one player incident that was brought to our disciplinary committee. The issue was reviewed and appropriate action was taken. We also experienced some disruption near the end of the season due to a parent who helped facilitate the recruitment of some of our 14U players to join another association's team without permission of the Board or their respective coaches.

3. Is your Member Association planning on hosting any tournaments this season? If so list the dates, and ages/levels:

Yes, Ice Cup Tournament. Dates: February 14-17, 2020. 10U, 12U and 14U House.

4. Are there any challenges facing your Member Association right now? If yes provide a brief description with responses and/or intervention planned or in the works?

A challenge we are facing, which comes from a good thing, is that we will very likely have two 18U teams next season. We are trying to develop a plan for next season that meets the needs of the players whose skills and hopes for next season vary greatly, as well as finding a way to make it work with our long-term player development plan.

5. How many coaches will be attending the CEP symposium?

Best estimate is 10-15 coaches.

6. Are there any successes you'd like to highlight?

The Ice Cup tournament was a successful event for our organization and we look forward to hosting all three age levels again next year. We are also proud of our 18U team on their state championship success.

7. Other comments:

An issue we are seeing statewide is an increase in the frequency and severity of parent and spectator codes of conduct violations. This season there were several incidents in the stands where individuals were overly aggressive both physically and verbally toward others in the stands as well as toward players and officials on the ice. We'd like to see all associations, ours included, be more proactive in setting expectations for parent and spectator behavior and following through with appropriate action when the codes of conduct are violated. Our Board will be exploring options for addressing this at our home rink and would be open to collaborating with the other associations for how we can work together to minimize these unwanted behaviors.

April 13, 2019 Oregon State Hockey Association Meeting Minutes

1. Brief Description of programs and initiatives aimed at growing participation and retention of players:

This season PJW is planning had one travel team per age group, down from two last season. Our focus is development of all players and we have introduced a "development team" at each age group that will help bridge the gap that can happen between metro / house hockey and travel / tier hockey. We have also added more teams to our 10U half ice program, putting a smaller number of players on each team. Finally, we have added a skills coach to focus on weekly skills clinics, coordination between on and off ice as well as for all of our Metro players. We also Partnered again with Train Station training facility that focuses on off off conditioning as well as hockey skills training for all our teams.

2. Has there been any disciplinary activity with players, coaching staff, or parents? If yes, provide a brief summary and resolution.

Yes, we have had disciplinary issues reach the level of the PJW committee, for more in depth description our disciplinary director Kristan Rinnell can give detail on each situation.

3. Is your Member Association planning on hosting any tournaments this season? If so list the dates, and ages/levels:

We had several tournaments this past year and are reviewing this past season and will schedule tournaments at a different date when we know our ice situation better.

4. Are there any challenges facing your Member Association right now? If yes provide a brief description with responses and/or intervention planned or in the works?

We would love to have more ice available to allow more players. We are again needing to cap our numbers to make sure we have quality available for the players.

5. How many coaches will be attending the CEP symposium?

We had several coaches that attended CEP this year. We also had a few attend the Portland Bronze Goalie clinic as well as three that attended the Level 5 last summer.

6. Are there any successes you'd like to highlight?

Growing our 10u metro program to 6 teams (half ice)

Helping all girl's hockey grow with Rose city

Nationally recognized AAA midget program that placed higher than any other PJW / Oregon state team has ever placed.

14uAA and 18uAA attended USA Nationals

7. Other comments:

Changes in our new programs has been successful, like any change it can be difficult at first and there are hiccups but overall many have helped make it a success. We have grown to the point where we are ready to grow more however ice stability as well as running as a volunteer only organization has become an issue.

10u, 12u, 14u and 18u rec travel hockey teams

Post-season weekly skills and drills for all ages, 14u/18u summer hockey

Planet Hockey summer camp

Ex-NHL player Graeme Townshend returning for summer camp or clinic in Medford

2. Has there been any disciplinary activity with players, coaching staff, or parents? If yes, provide a brief summary and resolution.

Three 14u player incident reports in Feb/Mar for minor plus 10 minute misconduct with no additional game suspensions. One 18u player game misconduct for 5 penalties in single game.

3. Is your Member Association planning on hosting any tournaments this season? If so list the dates, and ages/levels:

Hockey for Heroes (10u,12u,14u) - November Veterans day weekend

King of the Ice (10u, 12u) – January MLK day weekend

OSHA state jamboree – March

4. Are there any challenges facing your Member Association right now? If yes provide a brief description with responses and/or intervention planned or in the works?

Increasing our youth and ref participation #'s. In response, our rink has been hosting weekly local school skate nights and our hockey association has been setting up a table with program info. Potential association vote at the end of our fiscal year to fully fund level 1 referee certification fees.

5. How many coaches will be attending the CEP symposium?

At least 12 from our current staff

6. Are there any successes you'd like to highlight?

We had a great weekend of hockey hosting 12u jamboree. Our 14u Medford Jr. spartans won their first ever state championship. Our hockey director, Jake Mack, has fully integrated body checking into 14u and above skill development for travel players. RVHA had an unprecedented 40 safesport and background verified volunteers for a youth program that only registered 59 players this past season. This is mainly attributed to parent volunteer participation.

April 13, 2019 Oregon State Hockey Association Meeting Minutes

1. Brief Description of programs and initiatives aimed at growing participation and retention of players:

2. Has there been any disciplinary activity with players, coaching staff, or parents? If yes, provide a brief summary and resolution.

Yes. James Swenson (14U Associate Coach) received a 2 game suspension for two game misconducts he received during a tournament at Eugene that he was coaching a PJW team. PJW enforced a 2 game suspension and RCHC reviewed the PJW disciplinary decision and was in agreement with it. James served the suspension with no further issue.

3. Is your Member Association planning on hosting any tournaments this season? If so list the dates, and ages/levels:

We hope to host year two of the Rose City Classic tournament next year (2019/20 season). We hope to have to have 10U/12U/14U and maybe 16U age classifications for the tournament.

4. Are there any challenges facing your Member Association right now? If yes provide a brief description with responses and/or intervention planned or in the works?

The same as always....lack of ice time. Girls hockey needs more ice to grow. One hour a week for RCHC's house program is not enough. We had 70 kids out on the ice and, with one hour, can only run a skills clinic. We need at least one more hour a week, if not 2 or 3 more. Girls hockey is severely under-represented when it comes to ice in Portland.

5. How many coaches will be attending the CEP symposium?

This question should be changed as it is way too general. In general, however, RCHC will have somewhere in the ballpark of 20 to 30 coaches that will be looking to attend a CEP clinic this Fall.

6. Are there any successes you'd like to highlight?

We successfully wrapped up our house program in March.

We also experienced unprecedented success at the Richmond tournament this year. GDP sent 3 teams (10U/12U/14U) to the tournament. 12U and 14U won the championship for their divisions. While the 10U team did not make the championship game, they did win 2 games and played very well.

- **Girls:** Teams made up entirely of girls.

1. Brief Description of programs and initiatives aimed at growing participation and retention of players: The 2 main programs we have in Eugene for growing participation and developing adult players for the REHL are the Adult Intro to Hockey and Adult Hockey Academy. The Intro to Hockey Program is for beginners and focuses on the 5 main skills of hockey (skating, stickhandling, shooting, passing, and body contact) the same way a beginner youth hockey program does. The main purpose of this program is to prepare a new player for playing in the REHL C League. The Adult Hockey Academy is more for people who already play in C League and want to hone their skills so they can move up to REHL B League. The main focus is still the 5 main skills of hockey but also begins to teach some more advanced skills.

There are several ways the RHL works to retain players. The first is to draft teams every season to try to make the teams as equal as possible. This creates a more competitive league and prevents players from dropping out because they are on the worst team season after season. In addition to the draft, there is a mid-season calibration where league officials and the captains sit down and evaluate how the teams are doing. If one team is too strong or too weak, trades will be made to try to even the teams out. Because of this system, players often form friendships with many of the players on other teams which results in a sense of community among the players and creates a friendly but still competitive environment. The last thing we do to retain players is to identify players that behave in reckless or dangerous manners. These players are warned and if they don't change these behaviors they are banned from the league.

2. Has there been any disciplinary activity with players, coaching staff, or parents? If yes, provide a brief summary and resolution. Yes, we have had 2 match penalties during the 2018-2019 season. These players received the required review for their penalty and have either served or are serving their suspension. In addition to the match penalties, we have had several game misconducts this season. In all cases, the player served their additional game suspension required by USA Hockey.

3. Is your Member Association planning on hosting any tournaments this season? If so list the dates, and ages/levels: The REHL had it's annual Spring 3v3 Tournament from March 22-24th.

4. Are there any challenges facing your Member Association right now? If yes provide a brief description with responses and/or intervention planned or in the works? No

5. How many coaches will be attending the CEP symposium? N/A (this is adult league so we don't have coaches)

1. Brief Description of programs and initiatives aimed at growing participation and retention of players:

WSC has added a 40+ Division to our adult league, allowing us to grow from 28 teams to 32 teams in total. This is a draft league, which ensures parity amongst the teams. We have also added a bronze medal game to each division, with the winning teams receiving team tickets to a Winterhawks game.

WSC is also running our spring hockey camp. We have added an additional practice each week for all players; the camp is focused on skating and skill development with an emphasis on small area games as well.

2. Has there been any disciplinary activity with players, coaching staff, or parents? If yes, provide a brief summary and resolution.

We have had incident reports within our Adult League. Erik Nyberg has assessed all these suspensions and warnings.

3. Is your Member Association planning on hosting any tournaments this season? If so list the dates, and ages/levels:

Nothing planned yet.

4. Are there any challenges facing your Member Association right now? If yes provide a brief description with responses and/or intervention planned or in the works?

As is the ongoing theme in Portland, ice time. We would really benefit from more ice time as a resource to help expand youth and adult hockey.

Unknown
